## Pflanzen und Tiere Plants and animals

### Im Einklang mit der Natur

Entspannung unter freiem Himmel, ein Spaziergang in den Feldern, spielen mit dem Hund, das Schnurren der Katze – all das tut gut und verschönert den Alltag. Und man kann es jederzeit haben – auch daheim! Der Wald beginnt direkt hinter dem Sofa, im Schlafzimmer leben Delfine. Bilder von Flora und Fauna warten darauf, Wänden Leben einzuhauchen.

### At one with nature

Relax under a clear sky, stroll through the fields, play with the dog, hear the cat purr - these things make everyday life more pleasurable. And you can have them at any time - even at home! The forest starts behind your sofa, dolphins frolic in your bedroom. Flora and fauna images are waiting to immerse your walls.

## Essen und Trinken Eating and drinking

### Das Auge isst mit

Was sonst ist so gesellig wie gemeinsames Speisen? Kulinarische Highlights entzücken nicht nur den Gaumen, sondern auch die Augen – auch an der Wand statt auf dem Teller. Als Kulisse für das Esszimmer oder als Blickfang im Wohnzimmer, als Inspiration in der Küche oder als Dekoration im Flur: Motive der Kategorie „Essen und Trinken“ machen aus Wänden sinnliche Erlebnisse.

### You take the first bite with your eyes

What is more sociable than dining together? Culinary highlights don't just delight the palate, but also the eyes – even when they are on the wall instead of the plate. As a backdrop for the dining room or eye-catcher in the living room; as inspiration in the kitchen or decoration in the corridor: the images in the category „Eating and drinking“ turn walls into a sensory experience.
